EDUCATION

Syracuse University
Syracuse, NY

Bachelor of Industrial and
Interaction Design (BID)
Aug 2023 - May 2027

Minor in Public
Communications
Newhouse School

Dean's List

ORGANIZATIONS

**Industrial Design Society
of America**
Secretary

**College of Visual and
Performing Arts**
Peer Advisor

IBM Design Thinking
Certified

SKILLS

SolidWorks
KeyShot
Figma
Adobe Creative Suite

Prototyping
3D Printing
Laser Cutting
Woodworking
Welding

EXPERIENCE

UFP Technologies | Newburyport, MA
CAD Design Intern | June 2026 - Aug 2026

- Created and refined CAD models and technical designs, applying industrial design principles and manufacturing considerations to support real-world production needs
- Worked closely with the CAD, engineering, and R&D teams to develop an intern project, strengthen my CAD skills, and learn professional design and development workflows
- Conducted hands-on testing and time studies of manufacturing processes, including RF sealing, to identify opportunities for improved efficiency and support design decisions

Branches at Meadowbrook | Weston, MA
Makerspace Specialist and Senior Counselor | June 2025 - Aug 2025

- Taught children ages 7 to 14 hands-on projects using 3D printing, laser cutting, and cardboard prototyping
- Supervised groups of 15 to 30 campers while mentoring junior staff and ensuring safety, engagement, and smooth daily schedules
- Supported curriculum delivery and technology use while fostering team bonding, conflict resolution, and inclusive camp activities

Student Painters | Westford, MA
Exterior House Painter | June 2024 - Aug 2024

- Prepared surfaces for painting by washing, scraping, sanding, and patching holes
- Painted walls and other surfaces using traditional methods, completing roughly 30 jobs within required timeframes
- Generated more than \$150K in gross revenue through direct marketing efforts canvassing neighborhoods
